

ISAAC NJUGUNA MWANGI

OBJECTIVE

To use my technical proficiency and love of computer science in a dynamic and difficult position where I can use my knowledge and abilities to create innovation, address complicated issues, and have a big impact. I'm looking for a job that provides creative freedom, promotes professional development, and enables me to collaborate with a skilled team to create innovative technological solutions

PERSONAL PROFILE

I am an ambitious and dedicated individual with a strong technical proficiency and a passion for computer science. With a deep love for innovation and problem-solving, I am seeking a dynamic and challenging position where I can utilize my knowledge and skills to create innovative technological solutions. I thrive in an environment that offers creative freedom, encourages professional development, and fosters collaboration with a talented team.

ACHIEVEMENTS

- **Student Leader:** Served as a Prefect in Environment Conservation at Gatarwa Secondary School in 2017, demonstrating leadership and a commitment to sustainability.
- **Geography Contest Participant:** Participated in a Geography Contest held at Nyandrua High School in 2018, showcasing my knowledge and passion for the subject.
- **Chemistry Contest Participant:** Participated in a Chemistry Contest held at Munyeki Secondary School in 2018, demonstrating my expertise and enthusiasm for the subject.
